## **DETAILED ACTION**

### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 1, 3<sup>rd</sup> line- 4<sup>th</sup> word has been changed from "rout" to "route".

### ***Allowable Subject Matter***

Claims 1-31 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art or record fails to teach, a mobile communication device and method in a mobile communication network, wherein synchronization is achieved between said mobile communication device and two other devices allowing messages to be communicated between the two other devices or between said communication device and one or the other of the first and second communication devices, by synchronizing a first communication technology to a first communication frequency and a second communication technology to a second communication frequency, and, in some embodiments, an agreed upon synchronization period, thus allowing the two other devices to communicate using the first and second frequencies and technologies.

Art Unit: 2684

Applicant's submitted prior art (see IDS dated 5/26/05 & 9/6/05) discloses references, which agree upon frequency, technology, and the synchronization period. However none of references in the IDS were found to disclose a first and second agreed upon frequency, technology, and a synchronization period between a first device and two other devices is established such that the two other devices can exchange messages with the agreements.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
